Hospitality Analysis

Performance Overview

A high-level summary of your core business health. This section tracks primary KPIs like RevPAR (Revenue Per Available Room), ADR (Average Daily Rate), and Occupancy % to provide an immediate pulse check on hotel operations

Revenue Analysis

A deep dive into the financial flow. This visual breaks down revenue streams by city, room category, and booking platform, helping you identify which segments are driving the highest monetary value and where the growth opportunities present

Booking Analysis

An exploration of guest behavior and demand patterns. This section analyzes realized bookings, cancellation rates, and customer ratings to help you understand booking trends and optimize service delivery across different hotel properties

Last Date of Refreshed 19 April 2026
